Sub: Implementation of work in different categories.

Madam/Sir,

Kindly note that in view of the prevailing rainy season it has been decided to disable works in the categories of Water Conservation (WC), Water Harvesting (WH), Irrigation Canals (IC), Fisheries (F) and Land Development (LD) for the present. Any request from the district for opening up work in these sectors will have to be accompanied by a list of works (schemes) which MIS Scheme Code with detailed justification sent by email to wbnrega@gmail.com. If satisfied, the State will open the specific category only for implementation of the works forwarded with MIS Scheme Code and approved from this end. If any work other than the approved ones is taken up by any of the PIAs of the district that particular work will be treated as unauthorized and will not be allowed to be booked under MGNREGA. If any payment is made for unauthorized work, the amount will be recovered from the errant PIA.

This may please be communicated to all the POs and PIAs of the district and strictly adhered to.

Yours faithfully,
