Memo No. 205 (29)/mgnrega

Date: 17th February, 2015

To

The BDO & PO, MGNREGA
_____ Dev. Block (all)

Sub: Implementation status of biometric attendance system using handheld devices

Sir/Madam,

With reference to the above-mentioned subject, this is to inform you that biometric attendance system using handheld devices has already been introduced at all the blocks under our district and the training has already been provided by TCS regarding the enrolment process and attendance process of workers under MGNREGS using handheld devices.

But it is being observed that attendance is not being taken using handheld devices at field level at most of the Gram Panchayats. P&RD Department is pressing hard to roll out the implementation process of biometric attendance at worksites under MGNREGA throughout the district immediately.

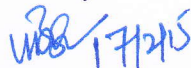

You are hereby requested to look into the matter and please give us the feedback regarding the progress at all Gram Panchayats under your Block as per the following proforma.

You are also requested to inform us if there is any constraint or problem to implement the biometric attendance system at your Block and what kind of support or service is required from TCS in this regard.

Block	GP	Training has been provided (Yes/No) upto GP level	User enrolment done (Yes/No)	Wage seeker's enrolment has been done (Yes/No)	No. of MR for which attendance has been taken using handheld device	No. of scheme for which handheld devices are being used	Problems (if any)	Remarks

Thanking you,

Yours faithfully
