Sub: Re-structured list of permissible works under MGNREGA

Ref: this office letter no. 5773(23)-RD/P/NREGA/18M-02/07 dated 18.06.2018

Madam/Sir,

Kindly refer the list of permissible activities under MGNREGA as communicated on 18.06.2018. The list was further examined and it has been decided that construction of mitti-murram road for community included against serial number 196 in the list is a non-permissible activity. Like-wise repair and maintenance of brick/Stone Kharanja roads for community indicated in sl no.204 of the list is not permissible. Please issue necessary instructions to the PIAs and POs so that no such works are taken up under MGNREGA.

In this connection you are also requested to explore the possibility of obtaining convergence support from corresponding department whenever any work related to an associated department is taken up.

Yours faithfully,

(Dibyendu Sarkar)

Additional Secretary, P&RD Department
& Commissioner, MGNREGAWB
