Memo. No.822-(19)/RD/P/NREGA/18B-02/16

Dated: 15/02/2017

From: Dibyendu Sarkar, IAS
Commissioner, MGNREGA

To: The District Magistrate and District Programme Coordinator (all),

Sub: Restriction on certain activities under MGNREGA.

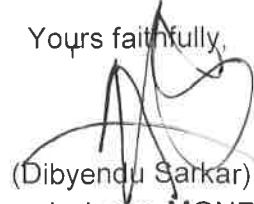

Madam/Sir,

You are aware that as per the list of approved activities in Mahatma Gandhi NREGA implementation, the following works are not supposed to be implemented with fund from MGNREGA:

1. Re-excavation of pond in IBS sector.
2. Construction of earthen road.
3. Excavation of shallow kachcha drains without any tangible productive asset.

Although while preparing the Annual Action Plan for 2017-18, these instructions are reportedly followed, there are confusions in the field on whether such schemes can be implemented in the current financial year or not. It is reiterated that any activity which is not included in the list already circulated cannot be taken up even in the current financial year. While according approval for any new work or any supplementary proposal from the field, these restrictions must be followed. It is expected that henceforth there will be no room for confusion on this account.

Yours faithfully,

(Dibyendu Sarkar)
Commissioner, MGNREGS
