Sub: Signing of unskilled wage FTOs through Ne-FMS

Madam/Sir,

Kindly note that the department has secured release of an amount of Rs. 300 crore for payment of unskilled wages to the job card holders only through the National Electronic Fund Management System (Ne-FMS). This amount cannot be utilised at this stage for payment of pending wages against which FTOs by first signatories have already been generated. Naturally works against which FTOs were not generated at all with effect from 1st October, 2016 may now be routed through Ne-FMS for payment of wages to unskilled workers. Accordingly, you are requested to instruct all the PIAs to sign FTOs kept pending since 01.10.2016. Since there will be auto scheduling of payments at the level of Government of India on the basis of the time of signing the FTOs, we would request to complete signing by both the DSC holders in sync for all such unskilled wages.

*Although, the system will be put in place forthwith, there might be problem in signing FTOs till midnight of 08.12.2016 as the NIC is in the process of migrating West Bengal data to a new server. The PIAs may not be able to sign any FTO at all between 8 p.m today and 12 midnight of 08.12.2016.

The issue of pending liabilities against the FTOs already generated in the e-FMS has been taken up separately with the Ministry and necessary instructions will be communicated in due course of time.

Yours faithfully,

(Dibyendu Sarkar)
