It has been clearly spelt out in the said letter referred that all saplings from this year onward required for planting in MGNREGA schemes to be raised in NREGA nurseries only and if PIA could not raise it due to factors beyond control, will go in for purchase from Government agencies. After exhausting all these options, purchase from private parties (observing required formalities) is to be made getting expressed permission from the State Government.

Scheme approval and vetting is to be allowed accordingly.

With regards,

Yours faithfully,

(Sudipta Porel)

Dy. Secretary to Govt. of West Bengal
