Sub: BRT-BPT Training for IPPE

Madam/Sir,

Details of Training Guideline has been forwarded to you vide this office Memo. No, 4004(19)-RD/P/NREGA/18B-01/14 Dated 28/08/14 & Memo.No.4110—RD/P/NREGA/18B-01/14 Dated 03/09/14 and it is expected that the BRT-BPT training will start from 11.09.14 in some of the districts. We have not yet got Training Plan and PRA schedule from any district.

It is reiterated that the training is to be designed as suggested vide this office Memo. No. 4110—RD/P/NREGA/18B-01/14 Dated 03/09/14.

The BRT-cum-BPT members are to be trained directly by DRT members in intensive manner (that's why residential training was suggested for them). These BRT-cum-BPT members will directly undertake the PRA exercise at the Gram Sansad level @ 2-4 Gram Sansad each. Additional BPT members @ 2 per GS will support the BRT-cum-BPT members in conducting the PRA (who are supposed to be trained by GP-tagged BRT-cum-BPT members at GP Headquarters in non-residential mode).

This pattern is to be strictly followed to avoid dilution at any stage. It is to be kept in mind that the Sansad-wise Labour Budget, vulnerability details, Social Map, Resource Map-Activity Map will be uploaded in State IPPE portal and hence accessible to the world community. Name of the concerned planner (BRT-cum-BPT member) will also be uploaded thereon for optimum transparency and accountability. Hence the Social Map, Resource Map-Activity Map, Labour Budget and vulnerability details should be accurate reflecting field reality to the extent possible.

It is expected that the DRT training schedule will reach this office seven days prior to the training so that SRT members are tagged from this end to attend the training. While indicating members of the BRT-cum-BPT, the CFT members in case of 18 CFT blocks should positively be inducted. Civil Society Organisations working in different districts/blocks too should be given fair representation.

Yours faithfully

Commissioner MGNREGA
