Memo No. 133/Comm/NREGA

Date- 10/12/15

To
 The District Magistrate and District Programme Coordinator (all)

Sub: Clearing pending liabilities on account of materials for works implemented in 2014-15

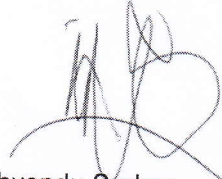

Madam/Sir,

You are certainly aware of the fact that there is no bar in clearing all the legitimate pending liabilities of 2014-15 including wages to unskilled, semi-skilled and skilled workers and cost of materials purchased by following due procedures and utilised for implementation of MGNREGA. It was expected that whenever the material payment windows are open (which has been done during the last eight months on a regular basis), any such pending payment could have been cleared. Despite this we have been receiving information from several corners that some of the long pending material bills of 2014-15 have not been cleared as yet. The issue was even raised in the last meeting of the Assurance Committee of the Assembly.

There are also reports from some of the people associated with implementation of MGNREGA like the VLEs and the STPs that their wages against the services delivered for several months have been kept pending on some pretext or other. It is reiterated that once someone's services are utilised for any work associated with MGNREGA it is our responsibility to pay them within reasonable time. Questions like wherefrom the administrative expenses will be coming are immaterial. Please ensure immediate clearance of all dues to the VLEs and STPs and other service providers by utilising the material payment window in the e-FMS, whenever open.

I would expect a compliance report in three weeks' time.

Yours faithfully,

10.12.15

Dibyendu Sarkar

Commissioner, P&RD Department
