Subject: Registration of Aadhaar No. against the job seekers of MGNREGS

Sir,

Kindly note that the Government of India, Ministry of Rural Development categorically indicated that with effect from 1st April, 2015, MGNREGS wage payment will be done using the Aadhaar enabled payment system. To ensure that this is happening we have already initiated a huge drive for obtaining Aadhaar number/EID number of all active job seekers under MGNREGS. However the aadhaar numbers are also to be seeded into the database of the concerned bank branches and placed on the NCPI mapper. Since this involves several hundreds or thousands of data, it might be difficult to register individual application to the banks for the purpose of such seeding. However it has been learned from the field that quite a number of bank branches insisting on personal application and presence of the wage seekers at the bank branch for the purpose of such seeding. Kindly take it up with all the banks so that instructions are passed to the branches to accept consolidated list from Gram Panchayat/Block. Please read this is as extremely urgent.

Yours sincerely,

Commissioner, MGNREGA
